

STAT 485/685 Lecture 12
Fall 2017
23 October 2017

- I discussed the midterm marking.
- Grades ranged from 7.5 to 28.5 out of 30.
- Grades now released (after class) at courses.cs.sfu.ca.
- Overall grades ok – average in low 60s (in percentage terms).
- Marks subtracted for saying things that are wrong; added for good ideas.
- Solutions posted on my web site.
- I discussed some particular points of issue on questions 2, 4 and part of 5.
