CPSC 1045: In Lab Exercise 0

Complete this exercise individually. Please complete all of the following steps, and show your work to the instructor prior to leaving the lab. This assignment will require you to use a great resource for any beginner web programmer, W3Schools.

Step 1: One at a time, go to each of the tutorial pages below in a new tab or window in the browser. Read through the content, and then do **exercise 2** at the bottom of each page. Do this for each of the 6 tutorial pages below.

1. HTML Styles: http://www.w3schools.com/html/html_styles.asp
2. HTML CSS: http://www.w3schools.com/html/html_css.asp
3. HTML Tables: http://www.w3schools.com/html/html_tables.asp
4. HTML Images: http://www.w3schools.com/html/html_images.asp
5. HTML Lists: http://www.w3schools.com/html/html_lists.asp
6. HTML Form Elements: http://www.w3schools.com/html/html_form_elements.asp

Step 2: When you have completed all 6 exercises, call over the instructor to check your exercises. **I should be able to see the Code frame, the Result frames AND the Correct! Indicator!** You will not receive marks if the correct indicator is missing!

Submission:

Make sure you have demonstrated all six exercises to the instructor prior to leaving the lab today.
